

Strategy -
3d NPF2 Action Plan Update

- Purpose of Report

The purpose of this report is to update members on the 2nd National Planning Framework (NPF2) and progress relating to action in which Nestrans has an interest or involvement.

- Background

The Scottish Government produce National Planning Frameworks to provide strategic direction on land use matters at a national level. The NPF2 was produced in 2008 and a number of specific actions relate to issues of interest to Nestrans. These were reported to the Board in September 2009. The following Action Programme provides an update on relevant actions, with those of particular interest to Nestrans highlighted by shading.

- Recommendation

It is recommended that the Board note this report and appendix.
