

Health and Transport Action Plan						
HTAP Sub Group	Project/Actions	Progress	Budget	Future Actions/ Progress	Target	Status
HTAP General						
	HTAP Review	A consultant from JMP appointed and now assisting with a review of the HTAP and the preparation of "HTAP2." This will encompass the HTAP response to the Short Life Working Group.		A draft report will be presented to the HTAP Steering Group on 28 March 2014. A wider public consultation will then take place.		↑
	Steering Group	Patient/Public representation on group sought through advertising. Four candidates being considered. John MacDonald, Chair of the Community Transport Association, has also accepted an invitation to join the Steering Group.		New Steering Group members to be inducted and supported.		↑
	Funding	Submission made to Scottish Government for funding towards Transport to Health pilots.		A decision is expected in early February.		↑
Active Lifestyle						
Promoting the benefits of Active Travel	Marketing	See TB1 and information bulletin for list of Getabout activities and events held since the last Board meeting.		Events to be co-ordinated with programmed health events being delivered by NHSG and others.		↑
	Strategy	Nestrans is developing with partners a Active Travel Strategy. This provides an opportunity to establish a wider partnership approach to promotion which could encompass health promotions experts.		Contributions from NHSG to the strategy development to be sought.		↑

Links between Transport and Public Health						
Environmental Services	Air Quality Management Action Plan (ACC)	See IE2a. Pollutants are monitored in Aberdeen City Centre and other key routes. Friends of the Earth Scotland has published league tables which they claim identify Scotland's most polluted streets last year. Market Street in Aberdeen is claimed to be the worst in Scotland for particulate matter pollution (PM10).		Support Council Plans to revoke AQMAs where they have been established and prevent introduction of new AQMAs.		↑
	Shared Delivery Service	See IE1c. ACC and AC Community Planning Partnerships each received £96K to spend on electric vehicles. Low carbon vehicles purchased for shared mail run service vehicles. The shared delivery service started in Jan 2012.		An evaluation of the electric vehicles is being undertaken. A report will be available in April.		↑
Climate Change		A recent report by Transform Scotland on Travel Planning across public bodies in Scotland,"Doing Their Duty, "highlighted a number of issues around coverage and quality.		HTAP Co-ordinator is working with partners to survey all large public bodies in Grampian to ascertain the situation locally. This will help inform a review of the GetAbout Travel Planning Strategy.		↑

Access to Health and Social Care						
	Transport to Healthcare Information Centre (THInC)	Decision made to extend funding of the THInC pilot. The Communication Plan for THInC is now being delivered with posters and web text circulated and direct marketing to community groups and professionals taking place. Advertising on prescription bags is being costed. A workshop with partners on THInC took place in January to address various issues with an Action Plan now being executed. Discussions with Aberdeen University have been ongoing in relation to THInC and the wider integration agenda.		Deliver the measures in the communications strategy. Capture information to enable the evaluation of THInC to take place. Confirm ongoing funding of project. Develop the business case for integrated transport solutions and establish a shared vision between partners. Engage patient groups.		↑
	Social Transport	A Change Fund project aimed at improving Social/Community Transport Infrastructure is underway involving RGU, ACVO, Nestrans and HTAP.		Links have been established to ensure mutual awareness and information sharing. These will be maintained.		↑
	SAS Consultation	Scottish Ambulance Service are currently developing their Patient Focus Public Involvement Strategy for 2014 – 2016 are consulting on a draft.		HTAP Patient/Public representative on Steering Group to help inform partners on the patient experience.		↑
	Travel Information at Health Hub	HTAP funding of £5K made towards cost of travel information kiosk at the new Health Hub in Aberdeen to assist with journey planning to the site.		Access issues at the site to be kept under review as part of the Travel Planning process.		↑
