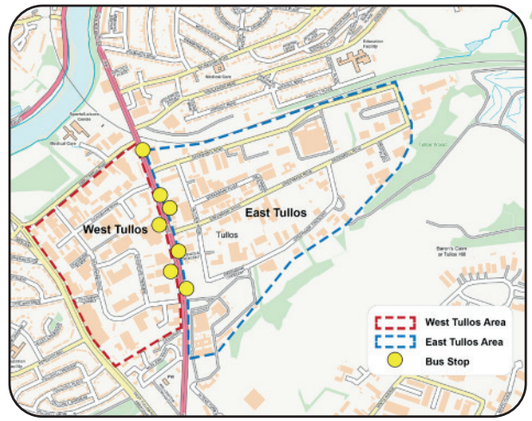
travel to East and West Tullos

The way each of us chooses to travel has a big impact on the local environment, our health and our finances. By walking, cycling, using public transport or car sharing, we can all play a part in reducing the number of cars on our roads and making our communities better places to live, and more enjoyable for all.

The East and West Tullos areas are well located for access by walking, cycling and public transport. Bus stops are located along Wellington Road and can easily be accessed from both sites, see map for more deatils.



Walking & Cycling

East and West Tullos can be reached in a 20 minute walk from areas of Kincorth, Torry and Altens.

Footways on both sides of Wellington Road link Torry to the north to the Tullos sites, to Altens and Cove. For more information visit: **walkit.com**

National Cycle Route 1 approaches Aberdeen from Dundee to the south, through Aberdeen and on towards Inverness. Through Aberdeen it is mainly an on-road route, from Cove Bay through the city centre to Old Aberdeen and Bucksburn. It can be accessed by the Coast Road at Altens, or at South Esplanade West to the north of the Tullos sites.

East and West Tullos can be reached from Aberdeen City Centre and Cove can be reached in under a 10 minutes cycle In a 30 minute cycle journey Stonehaven, Portlethen and Balmedie can be reached.

A detailed cycle map is available from the Aberdeen City website (search for cycling), and for online route planning visit: **www.cyclestreets.net**

Public Transport

The bus stops on Wellington Road can be reached in under a 10 minutes walk from the East and West Tullos sites.

These bus stops provide peak hour services to Dyce, Portlethen, Mastrick and Balnagask. The stops provide frequent services to Cove, the City Centre and Charleston.

Aberdeen railway station is approximately a 10 minute cycle journey from here and services from here depart regularly for Inverness, Dundee, Glasgow and Edinburgh.

Car Travel

Car sharing is a great way to reduce your costs, reduce the number of cars on the road and help improve the local environment. For more information on car sharing, please visit: **getabout.org.uk**

Co-wheels car club is a pay-as-you-go car hire scheme and with over 40 vehicles located across the city, it provides a greener and cheaper alternative to using your own car. This could be a great alternative to using your own car for business travel.

For more information on the Co-wheels car club, please visit: **www.co-wheels.org.uk**

Smarter Travel Top Tips

- If you need to travel now, how long is your journey? If it is less than 2 miles could you walk or cycle?
- Need to use more than one bus? Check out the GrassHOPPER ticket and see if you can save.
- Do you commute by car because you need the car during the day? Check out the Co-wheels car club for pay-as-you-go access to a car.

Cycling Hints & Tips

- Ride positively, decisively, and well clear of the kerb. Use lights and reflective gear when necessary.
- Ask your employer about cycle facilities or a cycle to work scheme.
- Be considerate to pedestrians and other road users.
